

TAKE THE “NUMERACY IN MY LIFE” CHALLENGE AND ENTER THE JCSP COMPETITION

This competition is an opportunity for students to think about and document where numeracy occurs in their everyday lives. Students are invited to display examples of where numeracy occurs in their life and write a few lines to explain the numeracy. The examples can include any interest and hobbies the students have and can include images. Entries may be presented in a format of the students choosing such as a poster, booklet, digital etc. Keep in mind JCSP statements can be used in relation to this competition. Prizes for individual and group categories. Entries can be in Irish, English, or other language taught in school.

Success Criteria Include:

1. Creative and original work produced by student/s
2. The examples are presented in a clear manner
3. There is an explanation with each example

Closing date for the Numeracy in my Life competition is Friday the 15th of December

Entering the competition accepts that the entry is the property of PDST and may be used in posters or other materials, shown at in-service, and put on our website.

Submit entries (including the completed student log) by email to jcsp@pdst.ie or post entries to JCSP, Blackrock Education Centre, Kill Avenue, Dun Laoghaire, Co.Dublin
