Re: 2022/23 JCSP Initiatives

Dear Coordinator

The JCSP initiative application process is now open and schools are invited to submit initiative proposals through the JCSP website under the initiative round 02/22.

The initiative booklet is available [here](#) and on the homepage of www.jcsp.ie. A listing of available JCSP resources and details of suppliers used by other JCSP schools is also available [here](#).

The maximum number of initiative proposals that can be submitted is 6 + Christmas Celebration. Each initiative carries its own funding. A fully completed initiative proposal in respect of every initiative (including Christmas Celebration) should be submitted. Please focus on and improve targets from the school's School Self Evaluation (SSE) Plan or DEIS Plan in the proposal. Incomplete proposal forms will not be considered.

Approved initiatives from previous rounds should be evaluated by the 30th of September. These initiatives should be completed, evaluated and all funds spent in order to qualify for 2022/23 Initiative funding. Where this is not possible, please email jcspresources@pdst.ie with details of same requesting to be carried over. The closing date for receipt of applications is 12 noon on the 6th of October 2022.

Funds are granted subject to overall budget availability and may be amended. Following adjudication, schools will receive notification of initiatives approved and funds granted. Completed initiatives should be evaluated by the 3rd of May 2023.

We wish schools every success in implementing initiatives in the new school year.

Yours sincerely

JCSP Team
