

DEIS WORKSHOP: PROMOTING SCHOOL ATTENDANCE IN A DEIS SETTING

EXTRA DATE ADDED: 17th October
5PM TO 7PM

WHAT WE DO:

- This DEIS workshop specifically focuses on the theme of Attendance. The workshop provides Principals, Deputy Principals, DEIS Coordinators & Teachers an opportunity to engage in DEIS Action Planning for attendance through the six-step process.
- The workshop will allow participants to explore SMART Target setting within the DEIS Action Plan and it will also provide clarity on the relationship between setting Targets and Actions. Opportunities will be provided to discuss ways in which to gather appropriate baseline data and analyse trends which emerge within the DEIS context.
- Consideration will be given to how effective Teaching & Learning is the core activity for engineering change in schools. Participants will be afforded the time to collaborate and share their most effective teaching and learning practices which support students' attendance in the DEIS context. Participants will also be afforded the space to discuss how monitoring and evaluating of Targets and Actions inform the next steps for devising the DEIS Action planning focusing on Attendance.
