

JCSP & JC Statements List 2023/2024

11.07.2023.

Teachers may decide to write their own school-based statements. These statements must be in line with Junior Cycle, reflect a learning outcome approach and a continuum of learning with a focus on learner progression and must be submitted to the JCSP Team for approval. Please email same to Dorota Ruszczak, Profiling Administrator, at dorota.ruszczak@oide.ie. Submissions should be made at least a term in advance of issuing the Final Student Profile.

Previously approved school based statements have been archived in the school year 2022/2023 and can't be used with 1st year students. Should you wish to continue using these statements with your current 2nd and 3rd years, please contact Dorota Ruszczak, Profiling Administrator by email at dorota.ruszczak@oide.ie.
