2024JCSP01	<p>2024 DEIS Targets Setting Seminar <i>Spring</i> PLE FOR DEIS SCHOOLS</p> <p>Following on from the Department of Education publication, "Looking at DEIS Action Planning for Improvement in Primary and Post-Primary Schools 2022" a number of recommendations were made. It was the experience of those involved in the report that schools were in need of support in connecting gathered data to SMART targets. These seminars aims to identify best practice relating to establishing SMART targets following on from appropriate data acquisition. Participants will work with provided data to identify suitable SMART targets for use in this space. There will be opportunities for participants to examine their current targets in light of this workshop, with a view to improving their own DEIS Action Plan upon returning to school. Participants are requested to bring a copy of their school's DEIS Plan with them to the Seminar.
