

# 2024 DEIS Action Planning and Target Setting PLE Autumn

This full day in person professional learning event aims to support school leaders and teachers in developing their schools' DEIS Action Plan with specific emphasis on: SMART target setting, data collation, student voice and the identification of at-risk student cohorts.

There will be opportunities for participants to develop and share their understanding of the 6 step SSE planning process throughout all 8 DEIS themes within their own school context.

Substitution cover is provided and places are limited to 2 per school.
