

Effective Teaching, Learning and Assessment to Support DEIS Action Planning for Improvement PLE, Spring 2025

Two classroom teachers from each DEIS post-primary school are invited to attend a PLE at their local education centre. **Substitution cover will be provided** for those who attend.

This event offers a valuable opportunity to explore a **student-centred approach** in reviewing the eight **DEIS themes** and the **SSE Six-Step Process**. Participants will gain insight into the impact of **teacher-student relationships** on SMART targets, considering classroom contexts and **priority cohorts**, particularly in **literacy and numeracy**. Engaging, **active methodologies** to enhance learner outcomes will also be investigated.

Participants will reflect on their current **Teaching and Learning Actions** and apply insights from the PLE to **strengthen their DEIS Action Plan for Improvement** upon returning to school.
