Draft Religious Statements

The following statements comprise draft statements developed with input from a number of practicing Religious teachers in JCSP schools. They are offered as one possible model that teachers may use to approach the new Junior Cycle Religious Specification. They will be adjusted over time based on feedback from teachers in JCSP schools.

The new Religious Specification may be accessed in full at www.curriculumonline.ie.

In addition, support for teaching of the Junior Cycle Specification may be accessed through the Junior Cycle for Teachers (JCT) Religious team at www.jct.ie.

It is important to note that the statements below offer a sample approach for the creation of Junior Cycle Religious statements. They do not cover all of the learning outcomes which are expected to be taught in the new junior cycle course.
