At Junior Certificate level the student can:

Compile a design brief for a selected technology project

Learning Targets - This has been demonstrated by your ability to:

1. Give two reasons for your choice of project from the given selection
2. Design three pieces and choose one, giving reasons for your choice
3. Draw a schematic drawing for each piece of your chosen project
4. List the materials for cutting
5. Record each piece
6. Record the work process involved
7. Record the process involved in assembling the pieces of the project
8. Identify faults in the design, if any
9. Identify difficulties you have come across in designing, making and assembling your project
