

Introductory text for JCSP Statements Supporting The Junior Cycle Applied Technology

The statements below were developed with input from a number of practicing Applied Technology teachers in JCSP schools. They are offered **as one possible model** that teachers may use to approach the new Junior Cycle Applied Technology Specification. They will be adjusted over time based on feedback from teachers in JCSP schools.

The new Applied Technology Specification may be accessed in full at www.curriculumonline.ie.

In addition, support for teaching of the Junior Cycle Specification may be accessed through the Junior Cycle for Teachers (JCT) Technologies team at www.jct.ie.

It is important to note that the statements below offer a sample approach for the creation of Junior Cycle Applied Technology statements. They do not cover all of the learning outcomes which are expected to be taught in the new junior cycle course.

August 2023

Area of Experience Applied Technology

Applied Technology

Student:

Class:

At Junior Cycle level I can:

Date Commenced: / /

Date Awarded: / /

- | | | |
|--------------|---------------------------------------------------------------------------|----------------------------------------------------------------------------|
| ATJC1 | I can manage myself and my work in Applied Technology | <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> |
