1. Explain three sources of finance and give an example of what each one is used for
2. Suggest suitable sources of finance to manage an organisation's expenditure
3. Prepare a budget for an organisation and comment on it
4. Recognise and complete key business documents that an organisation uses to manage transactions
5. Prepare a cash account to keep track of the income and expenditure of an organisation
6. Make a judgement based on a cash account of an organisation and suggest possible actions
7. Calculate an organisation's profit or loss at the end of a trading period and comment on this
8. Describe the difference between the assets and liabilities of an organisation
9. Work as part of a group to create a simple business plan for a new or existing product/service

Reflecting on my learning...

One thing I did well...

One thing I did to improve...

I really enjoyed......because...
