At Junior Certificate level the student can:

Manage personal finances in the areas of income, expenditure and budgeting

Learning Targets - This has been demonstrated by your ability to:

1. Estimate the income from a part-time job, for example babysitting
2. Work out the income from a part-time job, for example babysitting
3. Read a wage slip picking out income before and after tax
4. List the main household bills
5. Read bills and dockets
6. Match income and expenditure and identify priorities
7. Prepare a personal budget
8. Prepare a household budget
9. Compare your week’s expenses with your week’s budget plan
