Craft and Materials: Construction and Assembly

Statement Code no: 30

At Junior Certificate level the student can:

Work with a range of craft materials to create and finish a piece of work

Learning Targets - This has been demonstrated by your ability to:

1. Describe some of the properties of different materials
2. Give examples of where different materials are used
3. Choose the appropriate material
4. Cut material safely, using the correct tools
5. Shape materials safely using the correct tools
6. Produce sketch drawings of pieces of work
7. Measure out the materials
8. Transfer markings on to pieces of work
9. Join and assemble the material using a variety of methods
10. Finish off pieces using an appropriate method
