## Introductory text for JCSP Statements Supporting The Junior Cycle Geography

The statements below were developed input from a number of practicing Geography teachers in JCSP schools. They are offered as **one possible model** that teachers may use to approach the new Junior Cycle Geography specification. They will be adjusted over time based on feedback from teachers in JCSP schools.

The new Geography specification may be accessed in full at [www.curriculumonline.ie](http://www.curriculumonline.ie).

In addition, support for teaching of the Junior Cycle specification may be accessed through the Junior Cycle for Teachers (JCT) Geography team at [www.jct.ie](http://www.jct.ie).

It is important to note that the statements below offer a sample approach for the creation of Junior Cycle Geography statements. They do not cover all of the learning outcomes which are expected to be taught in the new Junior Cycle course.

## Réamhthéacs do Ráitis CSTS a thacaíonn le Tíreolaíocht na Sraithe Sóisearaí

Rinneadh na ráitis thíos a fhorbairt le hionchur ó líon múinteoirí a bhíonn ag teagasc na Tíreolaíochta i scoileanna CSTS. Tá siad curtha ar fáil mar mhúnla féideartha a d'fhéadfadh múinteoirí a theagasc chun tabhairt faoi shonraíocht nua Thíreolaíocht na Sraithe Sóisearaí. Bunaithe ar an aiseolas ó mhúinteoirí a bhíonn ag teagasc i scoileanna CSTS déanfar iad a athrú le himeachta ama.

Tá teacht ar an tsonraíocht nua Tíreolaíochta ina hiomláine ar [www.curriculumonline.ie](http://www.curriculumonline.ie).

Ina theannta sin, tá tuilleadh tacaíochta ar fáil chun sonraíocht na Sraithe Sóisearaí a theagasc trí fhoireann Tíreolaíochta don tSraith Shóisearach do Mhúinteoirí ag [www.jct.ie](http://www.jct.ie).

Tá sé tábhachtach a rá gur cur chuige samplach atá sna ráitis thíos chun ráitis Thíreolaíochta na Sraithe Sóisearaí a chruthú. Ní chlúdaíonn siad na tortaí foghlama ar fad atáthar ag súil le teagasc i gcúrsa nua na Sraithe Sóisearaí.
