I can explain how the physical world is formed

I can:

<table>
<thead>
<tr>
<th>I have begun</th>
<th>I am working on this</th>
<th>I can</th>
</tr>
</thead>
</table>

This has been demonstrated by my ability to:

1. Draw and label the layers of the earth
2. Explain what a tectonic plate is
3. Name and describe the three types of plate boundaries
4. Draw a labelled diagram of an earthquake
5. Describe why earthquakes occur
6. Describe how volcanoes are formed using labelled diagrams
7. Identify the three categories of rocks
8. Classify rocks according to what they are made of and how they are formed
9. Develop my research skills by completing a structured inquiry into a volcano or earthquake that appeared in the news

Reflecting on my learning...

One thing I did well...

One thing I might improve...

I really enjoyed......because...
