I can:

<table>
<thead>
<tr>
<th>I have begun</th>
<th>I am working on this</th>
<th>I can</th>
</tr>
</thead>
</table>

This has been demonstrated by my ability to:

1. Communicate clearly using the language of mathematics; Number, words, units, tables, graphs, symbolically and pictorially

2. Express my ideas clearly

3. Explain my findings and/or workings

4. Analyse my results

5. Explain and justify my conclusions

6. Use the notation of Mathematics

7. Pose a question that leads to a mathematical discussion

8. Use digital technologies to research and communicate Mathematics

9. Rethink my ideas based on the feedback from others

10. Suggest improvements for my own ideas and the ideas of others

Reflecting on my learning...

One thing I did well...

One thing I might improve...

I really enjoyed......because...
