

Introductory text for JCSP Statements Supporting The Junior Cycle Music

The statements below were developed with input from a number of practicing Music teachers in JCSP schools. They are offered as **one possible model** that teachers may use to approach the new Junior Cycle Music specification. They will be adjusted over time based on feedback from teachers in JCSP schools.

The new Music specification may be accessed in full at www.curriculumonline.ie.

In addition, support for teaching of the Junior Cycle Music specification may be accessed through the Junior Cycle for Teachers (JCT) Music team at www.jct.ie.

It is important to note that the statements below offer a sample approach for the creation of Junior Cycle Music statements. They do not cover all of the learning outcomes which are expected to be taught in the new Junior Cycle course.
